- 2) The common areas of the hotel need to be left in a tidy condition during and at the conclusion of the weekend. If not, the church will get charged.

We are anticipating another fantastic Green Lake and are looking forward to seeing you all up there!

## A WORD TO PARENTS

The Anderson Circle is a great hang-out for families and kids. **PLEASE—do not leave your children unattended there, especially if they are under the age of 12.** If they get hurt or have a small problem and their parents aren't around to help them, it then falls to someone else. **We recommend that a parent or other adult (who has agreed to this) be specifically supervising your children.**

**The curfew for the Anderson Circle is 11PM. Make sure your children are at your cabin/campsite after this time. We want to be considerate of others, so please remember to be quiet!**

Please arrange for curfews with your older children. Make sure you know where they are and what they're doing.

For those staying in Kern Lodge or Roger Williams Inn: under no circumstances should mixed groups of teens be in the hotel rooms without adult supervision.

For those **not** staying in a hotel, please do not use the lobbies for hanging out.

We've had problems in the past with GREEN LAKE SECURITY! PLEASE: when kids are driving, they need to "follow the rules of the road!" They should not be riding on top of cars or hanging off of trucks, etc. Ten kids shouldn't be packed in a car that only holds 5! Parents and teens, we need your cooperation in this.

We really do appreciate your help in making Green Lake a fun, safe place for all.

Thank you!
